

# Summer Shanty

*Anthony Bourdain said: 'Eat at a local restaurant tonight. Get the Q-hogs. Enjoy a cocktail. Listen to someone you think may have nothing in common with you. Order the local fried seafood. On Tuesday eat a half dozen oysters. Have another cocktail. Be open to a world where you may not understand or agree with the person next to you but have a drink with them anyways. Enjoy the food. Tip your server. Check in on your friends. Check in on yourself. Enjoy the ride.'*
